

## Skate Racer

**Topic:** Leisure

**Curriculum link:** Health and Physical Education

**Text type:** Recount

**Reading level:** 16

**Word count:** 267

**Vocabulary:** skate racer, roller skates, in-line skates, skating rink, coach, training, safely, racing, helmet, racing suit, championships

**Possible literacy focus:**

Using a text to learn about a new area of interest: skate racing.

Interpreting visual devices such as the use of blurred photographs to imply movement.

**Summary:**

This book is a recount about how a ten-year-old girl called Cody learned to become an in-line skate racer.

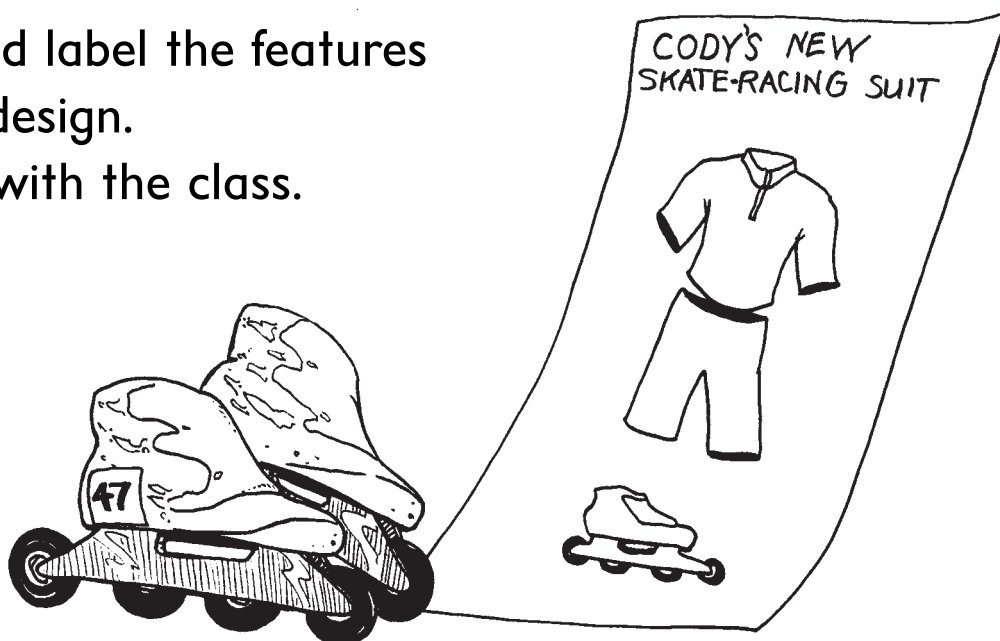

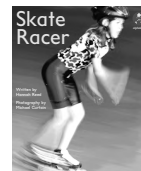

### Task card

## Racing suit design

You will need:

paper, pencils, coloured pencils

1. Design a new racing suit for Cody.  
What material should it be made of, for example could Cody wear a racing suit made of wool?
2. Draw and label the features of your design.
3. Share it with the class.
