Read and draw.

My room was messy!  
Things were everywhere.  
'You can go out to play  
when your room is tidy,'  
said Mum.

I put all my books  
and all my toys  
and all my clothes  
in the cupboard.  
I shut the door.

Mum came in.  
'What a tidy room,' she said.  
Then she opened my cupboard.  
All my books fell out.  
All my toys fell out.  
All my clothes fell out.
