

Alphakids Digital Library is a new product for both classroom and home use from Eleanor Curtain Publishing, the specialist in early literacy reading programs and teacher resources.

Alphakids Digital Library is a guided reading program focusing on levels K–3. At these levels young readers need even more material for extensive reading.

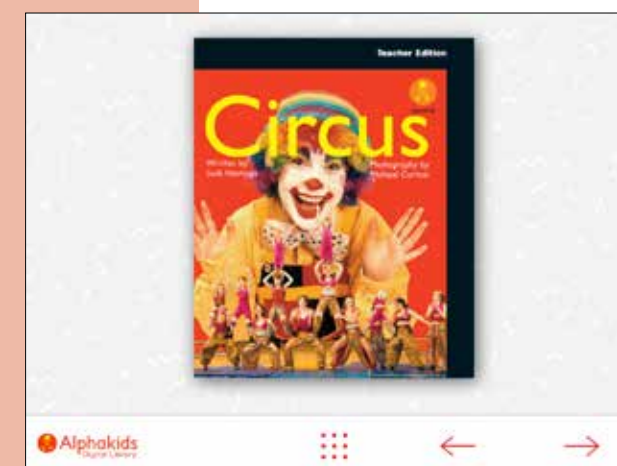

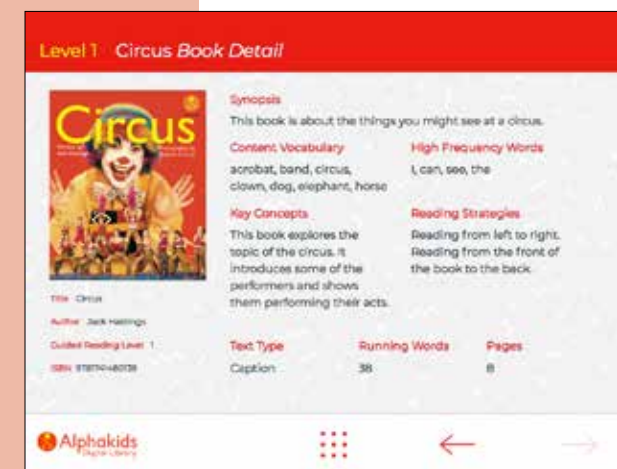

Alphakids Digital Library is designed to sustain and extend the literacy learning of all children.

There are 240 student e-books along with the corresponding 240 tutor support e-books.

Each student book includes audio and printable after-reading activities to add an extra facet to the extensive reading.

#### Alphakids Digital Library:

- Contains a wide variety of text types displaying a full range of language and text features
- Provides texts that are carefully graded to create steady reading progress by drawing the reader's attention to increasingly complex print features
- Introduces vocabulary gradually
- Uses a high rate of repetition of high-frequency words for practice and to maintain reader confidence
- Provides strong visual support
- Has an even mix of fiction and non-fiction texts
- Features topics that focus on social experiences children find familiar and appealing
- Incorporates talking, writing and reading activities through the support materials
- Uses photographs, illustrations and diagrams to engage and inform readers
- Uses humour extensively throughout the levels
- Provides extensive instructional support

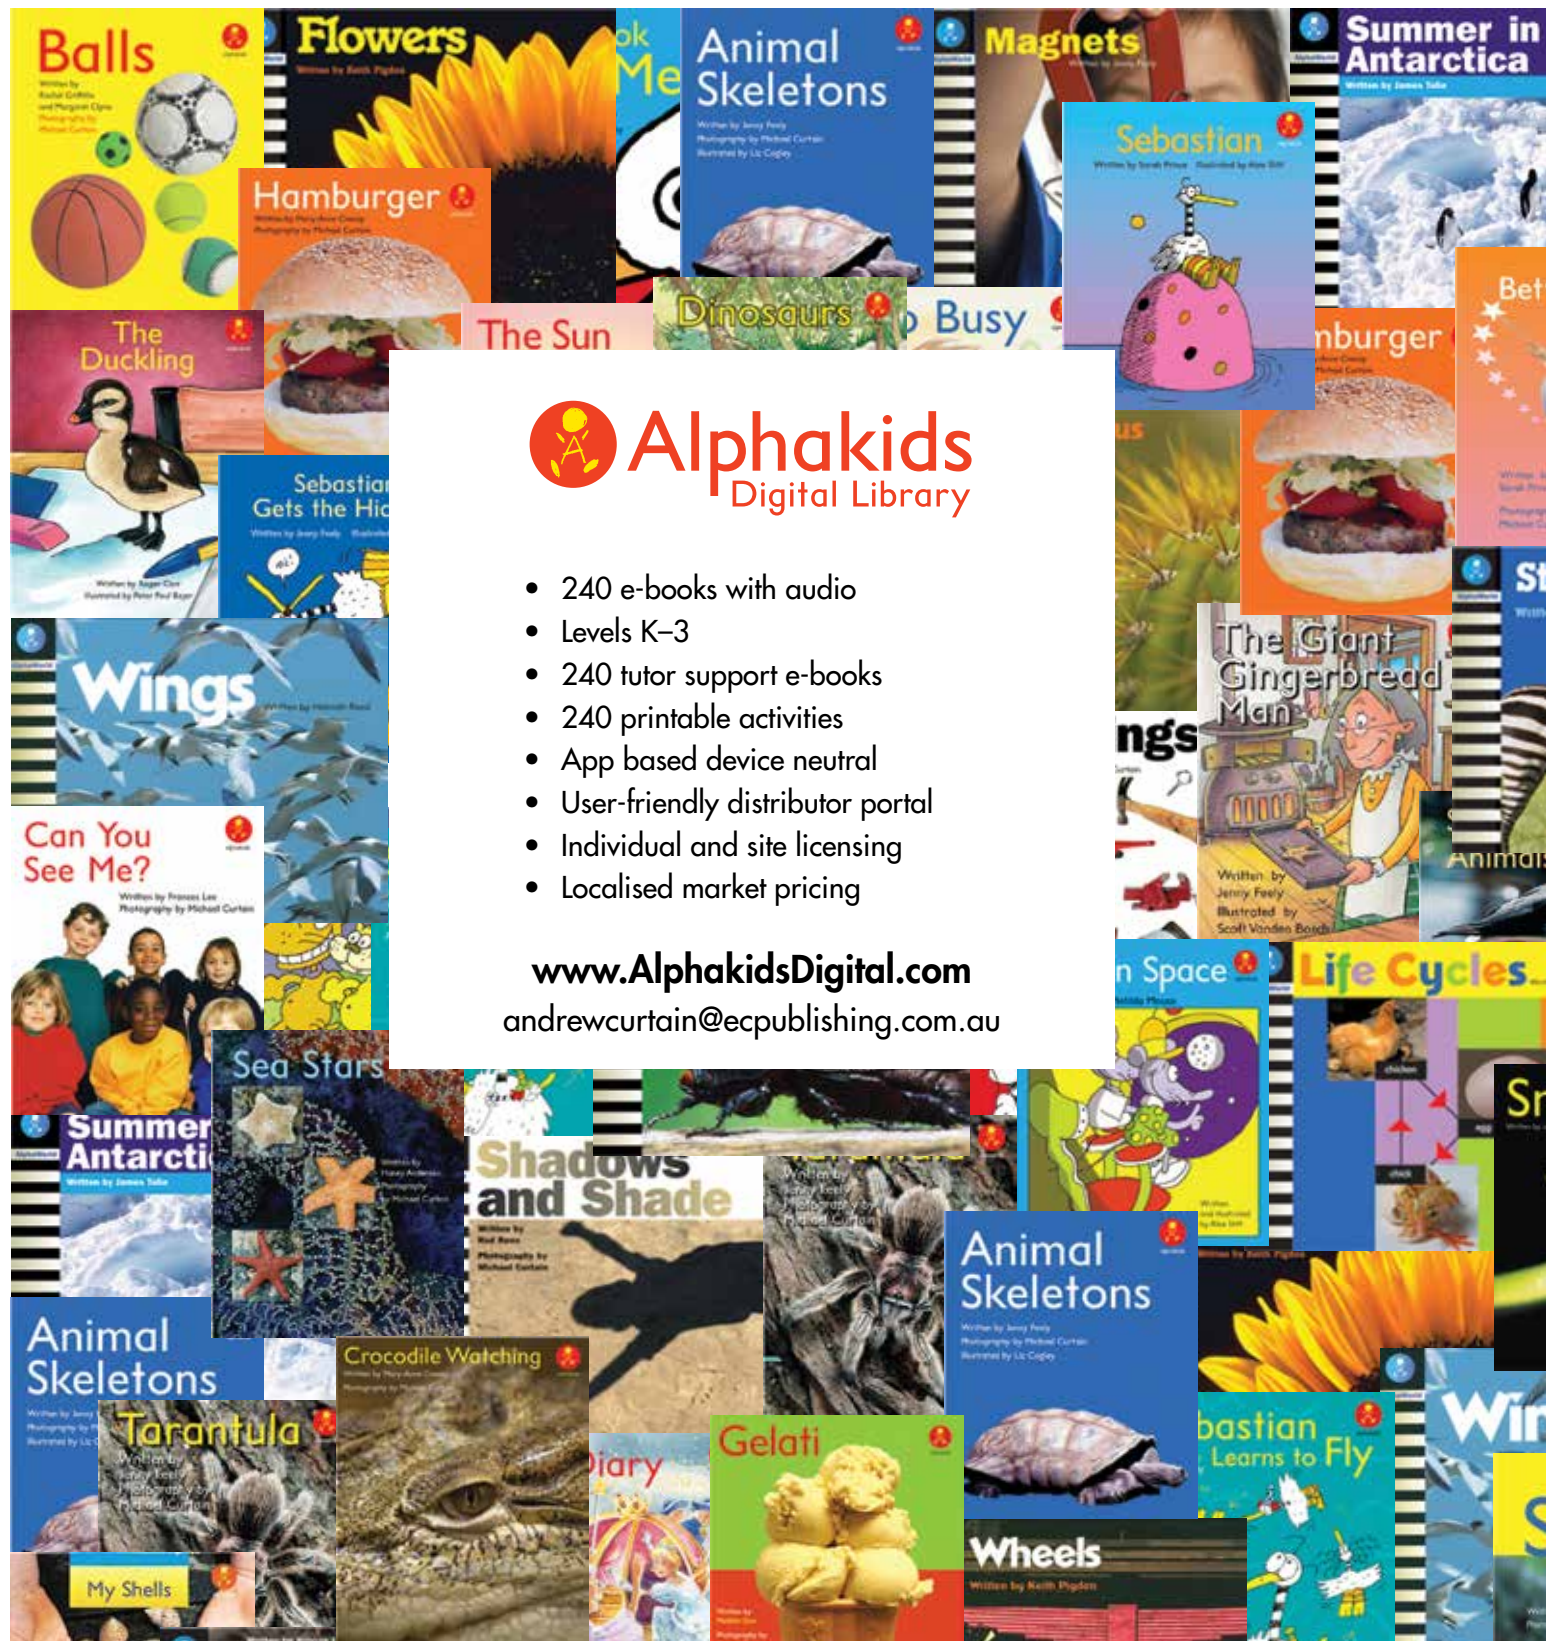

#### Product features:

- Alphakids Digital Library is device neutral and works on smartphones, tablets and computers (iOS, Android, Mac, Windows).
- Alphakids Digital Library can be used offline.
- Download the titles you are currently reading for device storage management.
- Printable activities for each of the 240 titles.
- Technical support within the application.
- Provides a user-friendly distributor portal to purchase at discounted redemption keys, manage subscriptions, and receive marketing materials and renewal reminders.
- Localised market pricing.
- Free Take-Home version of the app for young readers revision and parental participation with Site (Campus) license.
- Marketing materials provided for localised translation and branding.
